## Fortnite the addiction craze:

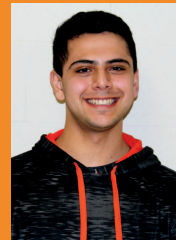

What was your longest time playing Fortnite in one session?

"The fun is in one-uping your friends and strangers in a video game. Bragging rights are the best."  
•Brycen Messer (9)

"Every game is different and competitive, and when you get first place out of 100 people, the feeling is pretty thrilling."  
•Drew Wubbena (12)

**13% Text**  
"It's a lot easier to text because conversations can get long, and the Snapchat character limit doesn't help."  
•Nathan Bishop (11)

"I like Snapchat a lot more because it's the only way I can communicate with my friends anymore; texting is just old, and barely anybody texts anyone."  
•Madison Lee (10)

## Snapchat the fastest way to share a moment:

Do you text or Snapchat to communicate?\*

\*1% of students answered they use neither.
