WHAT DO YOU LIKE MOST ABOUT YOUR DRESS STYLE?

IT'S PRACTICAL

"I like my style because it's both practical and stylish. A lot of what I wear isn't what most people would consider 'dressed up,' but it still looks good. My style also helps boost my confidence. When I wear stylish clothes, I feel more comfortable."

WHAT'S THE INSPIRATION FOR WHAT YOU WEAR?

MIX OF VINTAGE STYLES

"I'm inspired by a mix of vintage styles and more street-wear styles. I wear mostly black and white or neutral colors, because they're easier to match and look better together. I also draw more from street-wear styles than from preppy styles."

DOES YOUR STYLE REFLECT YOUR PERSONALITY?

A WAY TO EXPRESS MYSELF

"Somewhat, but it's more of a means to express myself and demonstrate my creativity. I hate to wear what everyone else is wearing, so I try new combinations of clothes I've never tried before."

WHERE DO YOU SHOP FOR YOUR CLOTHES?

USUALLY ONLINE

"I buy most of my clothes online at either PacSun or Urban Outfitters."

WHAT DO YOU LIKE MOST ABOUT YOUR DRESS STYLE?

IT'S WHO I AM

"I like what I wear because it's a part of me. Anyone can wear the clothes I wear, but when I do, it reflects who I am, not just because I decided to wear those clothes today."

DOES YOUR STYLE REFLECT YOUR PERSONALITY?

REFLECTS MY VALUES

"My style reflects my personality because I believe in values that I can represent through fashion, like hard work. When I wear work boots, I wear a 5.11 Tactical Belt almost every day, and that's because I support the Second Amendment for the right to bear arms and also support concealed-carry laws. I always wear a hat, usually with an American flag on it, because I love my country and am proud to be an American. I dress in a "southern" fashion because it's comfortable and just fits who I am as a person."

WHERE DO YOU SHOP FOR YOUR CLOTHES?

AMERICAN EAGLE

"I usually get my clothes from Scheel's or American Eagle, and I get my boots at Theisens."

WHAT DO YOU LIKE MOST ABOUT YOUR DRESS STYLE?

IT'S ALWAYS CHANGING

"I don't really try and choose a style. I just try and find pieces that I like. I have a lot of things that I really enjoy on their own, and it's really just a very diverse array."

WHEN DID YOU START DRESSING THIS WAY?

AROUND EIGHTH GRADE

"I started paying attention to fashion in eighth grade. That was more when I was wearing Jordans and hypebeast stuff. I've always gravitated toward it, but around eighth grade is when I started getting into it and pursuing it."

WHERE DO YOU SHOP FOR YOUR CLOTHES?

ESSENCE

"I don't want people to know what it is that I'm wearing, so I don't like to have logos showing. The best website for me is Essence. I think they have a really good selection, and it's an easy-to-navigate website."

WHAT DO YOU LIKE MOST ABOUT YOUR DRESS STYLE?

IT SUITS MY PERSONALITY

"It's how I dressed when I lived by the mountains, and it's still how I dress now. I didn't change my style when I moved. My style represents my personality and where I came from. I also like how casual it looks, and I'm always pretty comfortable."

WHAT'S THE INSPIRATION FOR WHAT YOU WEAR?

AN OLD FRIEND

"I got some inspiration from my friend Colton Ivory. Colton wears flannels almost every day of the year and can go probably two weeks without wearing the same one. The rest of the stuff I wear is inspired from living in Colorado."

WHERE DO YOU SHOP FOR YOUR CLOTHES?

EDDIE BAUER

"One of my favorite places to shop is Eddie Bauer. They always have big sales, and their outerwear is very durable. Their clothing matches my style and is always good quality."

WHAT DO YOU LIKE MOST ABOUT YOUR DRESS STYLE?

IT'S SIMPLE

"It's comfortable and simple, and I've been dressing this way for as long as I can remember, so it just feels natural to me. I like it because it's inspired by my lifestyle and the people I look up to, like Matt Centrowitz, a professional runner and Olympic champion."

DO YOU PUT A LOT OF EFFORT INTO CHOOSING AN OUTFIT EVERY DAY?

NOT TOO MUCH EFFORT

"I kinda just throw on what I think looks good in the moment, but I never cross major brands like Adidas and Nike. That's one effort I always make."

DOES YOUR STYLE REFLECT YOUR PERSONALITY?

IT SHOWS I'M AN ATHLETE

"How I dress represents who I am and what my goals are. I'm an athlete looking to compete in the highest levels of my sports. The best way I can show that is to dress up in athletic clothing that looks good. Part of being an athlete is dressing in athletic clothes, and that just shapes my whole style."

WHAT DO YOU LIKE MOST ABOUT YOUR DRESS STYLE?

IT MAKES ME COMFORTABLE

"Back when I when I was a freshman and sophomore, I don't think I was fashionable or anything. I was super unconfident, reserved, shy, and I still am, but dressing up gives me another thing to talk about. It helps me feel more comfortable and serves as the means to which I could talk about things."

WHAT'S THE INSPIRATION FOR WHAT YOU WEAR?

HASAN MINHAJ

"I kind of got my hairstyle and beard from Hasan Minhaj. I like his style a lot. I also look on reddit fashion advice for tips. I initially started off asking my sister for tips, and I still do, but other than that, it's mostly just by look. I don't go for name brands or anything. It's more of just whatever I think looks the best."

WHERE DO YOU SHOP FOR YOUR CLOTHES?

INDIA & KOHL'S

"A lot of my stuff is from India. They have some pretty nice quality stuff there, and that's kind of when I started getting into fashion. I get some of my tops from Kohl's, my pants from American Eagle and my shoes from Scheels."
