## 

## Fall means...

Getting back into the swing of things, seeing our classmates we haven't seen all summer, and new unfamiliar faces. The excitement for celebrating homecoming builds up as we get closer and closer to the big game. This means no more Friday night plans because football games are already on our schedule. To show more school spirit we will dress in theme for the game as we cheer on the boys. As the football boys stay busy preparing for their game on Friday they manage to make time to smash a plate of half-priced wings at Jethro's. As the leaves start to turn and the weather gets cooler, some seem to enjoy a pumpkin spice latte to warm them up. Students rehearse hours and hours to prepare for the fall play which will be preformed in the middle school's brand new auditorium. Since we live in a rural town in lowa we can always look forward to the crop dust which adds to the mix of fall air. Fall scents are overflowing into the halls from all of the teachers' Scentsy products they have purchased for their classrooms. Getting a group of friends together to go through haunted houses at Sleepy Hallow or adventure through a corn maze at a pumpkin patch. The white-out game on September 14, 2017 against Saydel was a big hit with the crowd as they rode the "roller coaster." The Mustangs took the victory with a score of 3-0.

look forward to wearing my coat every

and making corn angels, along with getting lost in the haunted maze." - Noah Lanphier, 12

"Feeling cute and cozy in a sweater, cozying up at home with a fall candle burning, and drinking the new seasonal drinks the coffee shops come out with." - Olivia Lippman, 12

"Halloween in general, with all the costumes. The colors of the leaves are really pretty too." - Max Oelman, 11

MUSTANGS

"The weather is just perfect and I get to wear sweaters. I really love the colors fall brings too." - Josie Herway, 11

"The trees are just so beautiful, it makes me just want to climb them." - Cade McCombs, 11

"Fall rocks my socks on, and it makes me so excited for Christmas. I also lov wearing flannels." - Mia Burns, 11
