We would like to take this opportunity to thank the businesses who sponsored the yearbook. They are listed on pages 142-143. Thanks to the professional photographers who provided images, including David Thackery, Jeff Schmitt, and Lisa Lewis. Thanks also to the photos donated by community members shared with us through Twitter, including Steve Brand and Matt Thede.

Our Jostens representative was Kristy Stern. The yearbook sold for \$55 per copy and had a press run of 276 books.

The 2018 Centaur has 152 pages (4 more than last year) on 100# gloss enamel paper. The custom litho cover uses ShineFX, 379 Maroon Foil, and a precision cut. The endsheets use Metallic Silver 877. The cover and endsheets were designed by Editor Sydney Hauser and Catherine Yeoman with artwork by Haley Krob, all seniors.

The yearbook was created online on Mac desktop computers and printed by Jostens in Visalia, Calif. Adobe Photoshop was used to edit photos taken with Canon Digital Rebel cameras. Halverson Photography submitted photos electronically for the people section, and many photographers submitted photos for the senior section. Stories were printed in 10-point AYT Fountain Roman with captions in 8-point bold. Headline AYT fonts were Bria, Genuine, Action, Frenzy, and Campbell Cutout.
