colophon:

Thirteen students enrolled in the advanced Yearbook Lab course created the 2018 *Trojan Epic* with the guidance of adviser Ginny Ordman. The 244-page yearbook was produced on twenty 2.3 GHz Intel Core i5 computers, using InDesign CC 2015 and Adobe Photoshop CC 2015.5 Most sports photos were shot with Nikon cameras. Process colors used included Bitterroot, Dew, Moss, Slate, Stone, Vine, Willow and Wheat from Jostens Organic palette. Most body copy was set in 10/13 Clearface Regular; captions were set in 8/10 Foundations Sans Light. The display font is Modern 216. The yearbook was printed on 80-pound gloss enamel paper, and four signatures (1, 2, 3 & 5) have a special UV coating to highlight our 50th edition. The Ebony matte finish cover, which was designed by seniors Allie Hambright and Julia Austin, features a UV finish and gold foil. Endsheets were printed on Snow White 280 stock with process colors on front and back. About 925 copies were printed in Clarksville, Tenn. The \$75 price included a 24-page spring supplement to be distributed in August.

acknowledgments:

On behalf of our staff, we would like to thank everybody who made our book golden. We want to give a most special thanks to our section editors—Peyton, Sidney, Ella, Brooke and Megan—for their ongoing leadership and dedication. Ainsley, Krisha, Lauren, Samer, Breannon and Jack, this book would not have been possible without your creativity and commitment as staff members. The mesh of each of your unique personalities, and your willingness to collaborate, made this year most enjoyable.

Doc, your passion for yearbook does not go unnoticed. For the past three years that we have been on staff, you have taught us the value of working hard to bring our ideas to life, the importance of being flexible when things don't go as planned and how to just "live with it." The countless hours spent with you in the back of Room 115 are memories we will keep with us forever, so thank you.

We'd also like to thank Kristy Stern and Lori Shaw of Jostens for their outstanding service. A shout-out to Jim Halverson for the student, staff and some senior photos. The secretaries have all been helpful, but particularly Heather Grieser-Yoder, who collected 373 senior portraits. Registrar Jan Schneider offered much assistance with names and grades, and Tyler Meade helped us launch a new printer and installed new software on our Macs. Many teachers and coaches have responded to our interview requests. We appreciate the support of our administration as well as our parents. We are grateful to all the local businesses that bought ads and to all the parents who purchased senior ads.

—Julia & Allie
