**Sparks Fly** In the Palmer Garage, Mr. Hatfield poses with Ms. Day and John Polaschek from Scott Community College next to the CNC Plasma Cutter. The welding program purchased the new machine to produce more intricate metal projects, and Mr. Hatfield's students fabricated, painted and put together the parts to complete the Plasma Cutter. "A special thank you to Mr. Roy Shaft from the Camanche High School Industrial Arts Department for his assistance," Mr. Hatfield said. (T. Lebs)
