It's About TIME

Blackhawk 2018

1. **Pass It!** Catching a pass from **Nate Tyson ('18)**, **Momo Kargbo ('19)** faces West defenders in George Marshall Gym. Kargbo appreciated the growth he made from his sophomore year and reiterated the importance of the team's chemistry. "I've grown a lot from last year as a player, more physically and mentally and with my team. I hope to continue to improve," he said. (L. Grimm)

2. **Finally On Stage** During second block, the Wind Ensemble practices in the brand new auditorium under Mr. Wilga's direction. Performing arts students felt excited for the addition of the new and improved space for rehearsals and performances, comparing it to spaces like the Adler Theater that had been used last year. "Performing in the P.A.C is actually sick, but it's not as fun as bigger theaters like the Adler. It's much nicer than any other places in Central," said **Drew Thompson ('18)**. (A. Lance)

"My favorite experience was welding for the first time. It's a different activity and I really like it."
 -Diamond Davis ('20)

"The best time of my life was doing a cartwheel for the first time."
 -Jaylen Brooks ('19)
