# BIG MOMENTS

Throughout the winter season, students achieved several big and small accomplishments.

One junior became the fourth-leading scorer in West Delaware boys basketball history, two wrestlers earned their 100th win, and the boys bowling team became back-to-back State Champions.

FFA members prepared for the first FFA Highway 20 Dance, and through Dance Marathon, the student council raised nearly \$7,000 for the University of Iowa Children's Hospital.

In addition, three large group and seven individual speech events were nominated for the All-State Festival, and for the first time ever, the light show team was student led.

These were just a few of our big moments.
