

**LAST RUN.** *It's still a little warm in the beginning of the school year, but with a little breeze it's perfect for a run. Senior, Rojan Dahal smiles for a quick picture during an all-school meet. "Now I feel like running a mile is nothing," Dahal said.*

**LUNCH TIME.** *In Costa Rica, students got the chance to go to a butterfly and coffee plantation. Junior, Kayla Khambanoun captured this butterfly in its element eating mashed apples.*

FALLING. Last summer, 20 students and three chaperones got the opportunity to fly overseas to Costa Rica. This is the first time junior, Phillip Sunga traveled outside the U.S. Here, he takes a photo with the La Fortuna Waterfall as if it was raining into his own mouth.
