

# PURE *FIRE*

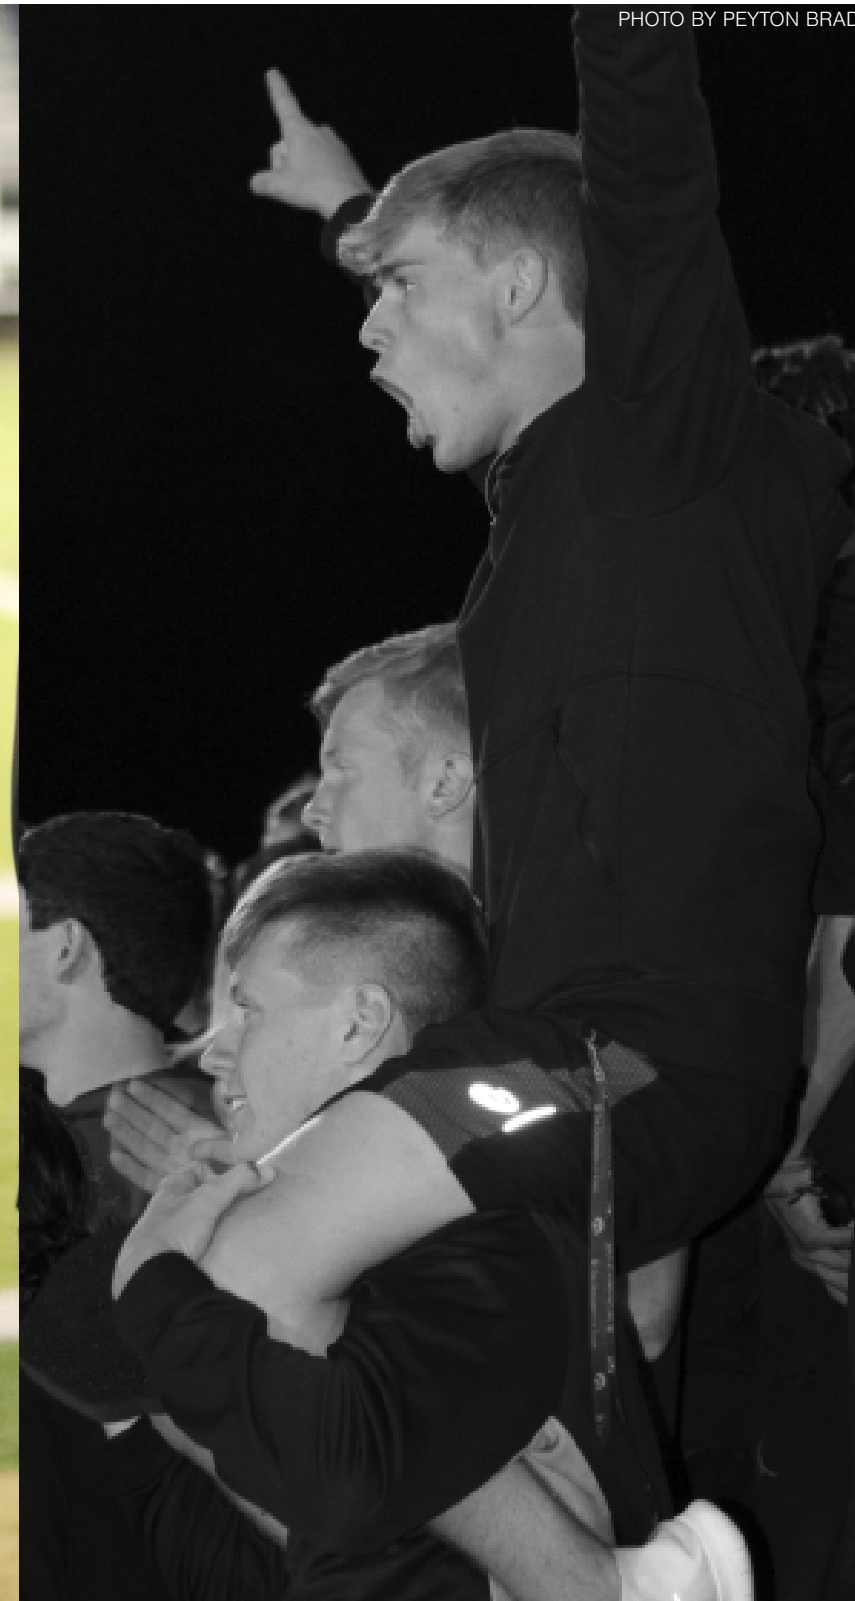

High temperatures led to high spirits as the school year began, allowing many students to enjoy lunches and open hours outside in the Courtyard. Two steamy September days forced classes to be dismissed two hours early, cancelling many activities. Students marched with the band, cheered on the sidelines and piled into the stands at Trojan Field for Friday Night Lights. Seniors celebrated finally getting to sit in the front row. "It was super fun to be close to the action of the game," Paige Harken '18 said. "It was definitely worth the wait."
