The dance team helps lead the student section in "Everywhere We Go."

1968 A new high school opens on the **WEST SIDE** of Iowa City, drawing students from City High and offering classes for students in grades 7 to 12. From going 4-3 on the football field to producing "Our Town" as the first school play, that first group of students paved the way for tens of thousands of students to follow. **FIFTY YEARS** later, with a No. 1 football team and "12 Angry Jurors" as Theatre West's **50th** fall production, students have continued to thrive in the **GREEN & GOLD** culture that has flourished for half of a century. With **FIRE** in their eyes, an academic **EDGE** in the classroom, true **GRIT** on the field and pure **GOLD** in their hearts, **WEST** students have maintained that tradition of exellence that originated **50** years ago.
