

FROM THE ONES WHO WATCHED THEM GROW...

This year has been great. You will all be missed. Good luck to all of you and I know you will all go far.

-Mrs. Meyer

Each of you has provided a unique dynamic to this school. No matter if you were someone who was involved in many activities or a few activities you have staying here without a doubt on someone in our school. Thank you for these lasting memories. It has been amazing having many of you in my life since 7th grade. You have all grown into people who I am proud to have taught. Come back and visit all of us!

This class holds a special place in my heart. You were Freshman the first year I started here. I know you with the following words: "Take a door to the past, open the door to the future, take a deep breath, and step on through and start a new chapter in my life." - Author Unknown

-Mrs. Franklin

This is your time, and a lot has been placed on your shoulders. Be the positive, caring, compassionate change that the world desperately needs. I know each one of you can succeed in this endeavor. You will make a difference.

-Mrs. McCarthy

You are a bright shining light of compassion and kindness! Go out there and make the world a better place. You will be missed.
-Mrs. Deane

I hope you all have a great year!
