Spring Activities

Senior Aleah Vaske hugs a Lambert Elementary student. Seniors walked through Lambert and the middle school dressed in caps and gowns on their final day of high school.

BIG IMPACT

Students finished strong through the final months of the school year.

Upperclassmen attended an Enchanted Forest themed Prom and showed off their bull riding skills at After Prom. Seniors also participated in Senior Service Day, helping in the community of Manchester.

Music students performed big numbers at the annual dinner/dessert shows while six events qualified for State Track and one individual for State Golf.

Students dreamed all the way to graduation when 110 seniors received their diplomas on May 26, when they were ready to make a big impact in the world.
