If you got 19-22 points, your genre is... **Mystery!**

You are someone who loves to stay home a lot. You probably don't like really loud people or places. But most of the time you're either a calm or very trustworthy person. Some shows and movies we recommend to you are...

Stranger things
(On Netflix)

Squid Games
(On Netflix)

All of us are Dead
(On Netflix)

The Sixth Sense
(On Hulu)

**If you got 23-26 points, your genre is...
Horror!**

You are a quiet person but once someone gets to know you, you are the loudest in the room. You have a pretty unique personality and you probably think you're the funniest person ever. Some shows or movies we recommend are...

Terrifier
(On Tubi)

Sweet Home
(On Netflix)

Scream
(On Youtube)

Midnight
(On Amazon Prime)

**If you got 27-31 points, your genre is...
Reality TV!**

You are probably one of the nicest people ever or one of the meanest, no in-betweens. You might cause drama sometimes or be around it a lot. You have wonderful taste in music though and you love to tell people that. Some shows we recommend are...

The Kardashians
(On Hulu)

Hell's Kitchen
(On Pluto)

The Riveras
(On Peacock)

Drag me to Dinner
(On Hulu)

**If you got 32-35+ points, your genre is...
Comedy!**

You probably think you're funny, but you're not. You're probably loud and like staying out. You also enjoy being around others. Some shows or movies we recommend are...

The Office
(On Peacock)

Legally Blonde
(On Pluto)

Business Proposal
(On Netflix)

Young Sheldon
(On Netflix)
