On behalf of the staff, we would like to thank everyone who helped make our book possible. Thanks especially to Kristy Stern and Lori Shaw of Jostens for their phenomenal service. We also appreciate the help of Sandy Fleming and Kevin Hoyland, who keep our software up to date and our 20 Macs running. A shout-out to Jim Halverson for the student, staff and some senior photos. The secretaries have all been helpful, but particularly Heather Grieser-Yoder, who collected senior portraits. Registrar Lisa Bream offered much assistance with names and grades. The library staff helped us with Halloween photos and a senior survey, and many teachers and coaches have responded to our interview requests. We appreciate the support of the administration and our parents. Thanks especially to Alan Meyer for the sweet new countertop in our lab. We are grateful to the local businesses that bought ads and to the parents who purchased senior ads. We also appreciate the yearbook staff, including those who joined the class with no experience but worked hard to meet deadlines and to create a book the students will enjoy. Last, but not least, we would like to thank our outstanding adviser, Ginny Ordman, for her dedication to her students and her passion for the yearbook program. Without her love and drive, the West High *Trojan Epic* would not be possible.
